

Come and See

Artist: Jeremy Rosado

I've seen the lowest low you could imagine
I've walked through things that you would not
believe
Some might say that miracles don't happen
But I believe the miracle is me

If you need proof that God can do anything
If you need proof that God can do anything
Come and see
Come and see

Come and see what God has done
Come and see who I've become
Ever since I met amazing grace
Everything has changed
Come and see the joy I've found
All the hope that fills me now
If you need proof that God can do anything
Come and see

Redemption is the center of my story
And mercy has become my cornerstone
There's brokenness that I have had to carry
But I know I don't carry it alone

Come and see what God has done
Come and see who I've become
Ever since I met amazing grace
Everything has changed
Come and see the joy I've found
All the hope that fills me now
If you need proof that God can do anything
Come and see

Come and see the promises He's kept
The grace in every step
The strength that came when I was weak
Come and see through all the deepest pain
A life that's been sustained
The way He's made a way for me

Come and see what God has done
Come and see who I've become
Ever since I met amazing grace
Everything has changed
Come and see the joy I've found
All the hope that fills me now
