

Sound of Heaven (feat. Chris Clarney)

Artist: Tasha Layton, Chris McClarney

We look up to You, and we seek Your face
God, we need Your Spirit to invade this place
Come have Your way, come have Your way

Would You move in power, turn every heart to You
We are desperate for what only You can do
Come have Your way, come have Your way
Come have Your way, come have Your way

Bring the sound of heaven
Let Your mighty wind come rushing through
Lord, our hearts are open
With the saints and angels, we sing to You
Come have Your way, come have Your way
Come have Your way, come have Your way

Send us with Your Spirit to the least of these
Let Your praises spill out onto every street
Come have Your way, come have Your way
Come have Your way, come have Your way

Bring the sound of heaven
Let Your mighty wind come rushing through
Lord, our hearts are open
With the saints and angels, we sing to You
Come have Your way, come have Your way
Come have Your way, come have Your way

Lord, we wait on You
Do what You wanna do
Do what You wanna do, oh-ooh-ooh
Let Your kingdom come
Let Your will be done
Do what You wanna do, ooh

Lord, we wait on You
Do what You wanna do
Do what You wanna do, oh-ooh-ooh
Let Your kingdom come
Let Your will be done
Do what You wanna do, ooh

Bring the sound of heaven
Let Your mighty wind come rushing through
Lord, our hearts are open
With the saints and angels, we sing to You

Bring the sound of heaven
Let Your mighty wind come rushing through
Lord, our hearts are open
With the saints and angels, we sing to You
Come have Your way, come have Your way
Come have Your way, come have Your way
Come have Your way, come have Your way
Come have Your way, come have Your way

Lord, we wait on You
Let Your kingdom come
